DECHUB-BRIDGE

UAE Outreach Plan

Initial market focus and daily business-development targets

MARKET FOCUS

Target region	Primary market: UAE. Talent-delivery base: India. Secondary expansion: United States and Singapore.
Ideal customer profile	Remote-first startups, SaaS companies, digital agencies, and global founders with 10-200 employees who need to hire or manage Indian and global talent.
Priority sectors	SaaS and software, IT services, digital agencies, health-tech and healthcare, and startup companies.

DAILY ACTIVITY TARGETS - INITIAL PHASE

Metric	Target	Practical definition
Target companies	**15-20/day**	Identify and qualify businesses matching the ICP.
Decision-makers reached	**30-40/day**	Reach two relevant contacts per company: founder, COO, HR, People Ops, or talent lead.
Positive replies	**1-3/day**	Replies or conversations showing genuine interest.
Booked demos	**2-4/week**	Qualified discovery calls booked with suitable prospects.

SCALE-UP TARGET

Once outreach data, messages, sender reputation, and lead quality are consistently working:

30 companies/day | **60 decision-makers/day** | **3-5 positive replies/day** | **1 demo every 1-2 working days**
